These simple Keiths Rules of Order methods apply to Legislative Sessions, Courtrooms, Board of Director Meetings, Town Hall Forums, Church meetings, training seminar forums, and any group that requires dignity and respect during their proceedings.

First requirement is to publish the meeting agenda to the required audience and use social viral media including Websites, facebook, ZOOM, SKYPE, and other free internet communication systems to broadcast the current issues, conflicts, and problems. Posting the discussion to public is required to show Open Meeting FORUM participants and the final results of ACTION. Meeting agenda should deal with the small items at front of agenda and the biggest issues at the end of the agenda unless the group mutually agrees to re-order the precedence of the issues. Issues of participants using video audio recording devices should be clearly listed on the agenda. Those who demand privacy during an open forum meeting have the right to NOT attend or be remote but forfeit their right to actively participate and eVote.

Second requirement is to start on scheduled time using large screen TV or LCD Projector or WhiteBoard to record the decisions made using system Keith procreated of IseeStand PhoneCradle.com patented in 2009 forward. Group can set standard of penality for late arrivals for future meetings.

Third requirement is sign in of everyone in the room. Best is for those with business cards to leave them at greeting desk with date of meeting and brief identifing features of themselves. See below. Optionally, the host, panel of speakers, and participants can agree to share the sign-in list online or email out to any or all requestors. Anyone who refuses to show their identification and is not recognized by other attendees can be banned from attending by the greeters and hosts. **LearnFirstNames.space** is the group exercise to identify WHO is WHO and who has interest and resources to solve the itemized agenda issues. Everyone present agrees they can be EVOTE.one out of the meeting if the majority recognize the person is self-serving, a hypocrite, or is only present to cause desention and trouble.

Fourth requirement is use of a skilled trained MEDIATOR to manage the discussions and focus the audience and keynote speakers on fast path methods to procreate items of ACTION results progressively foreward.   A seperate transcription scribe is required if issues are complex or contraversial in nature.

Fifth requirement is an elected Sergeant at Arms if the meeting participants expect issues from participants that are disruptive to the decision making progress of reaching mutual and legally binding agreements.

An assigned 'TIMER' person can use a signal light or small sign to indicate elapsed time has been exceeded to limit long 'filibuster' discussions. The group can hand vote to permit the person to continue their open public forum explanations.
