

World Press Release, Press Conferences, and Reform-Unification of all humanity is here.

BuiltByKeith.com has published the most incriminating evidence of all time and the solutions to prevent almost all crimes and corruption in the first place. This is another Last Testament Testimony showing the actual reality of today's world paired with the answers that humanity must use to prevent the self-genocide holy cost 'Holocaust' of World War Three that secretly started back in 1958 era.

Today is Sunday, August 28, 2016 at Victory Church in Tuguegarao City, Philippines. Michael is doing the introductions this morning. He visited us with our new church family on Monday, Aug 15, Feast of the Assumption. Our guest speaker/paster today is Arthur. Pastor Ross is not here today. I visited his new Board Member office on Friday per the broadcast that one day of historical significance.

Isaiah 26:3 NIV *You will keep in perfect peace those whose minds are steadfast, because they trust in you.*
Exodus 20:17 *"You shall not covet your neighbor's house. You shall not covet your neighbor's wife, or his male or female servant, his ox or donkey, or anything that belongs to your neighbor."*

This is the end of the 10 commandments. The pastor speaks of guard rails. This ties into **NewZion2.com** on top of Stone Mountain Georgia USA video series on **TheTruthVault.com** when I speak to the world about handrails and guardrails to set new standards of simplified laws in common language to enforce civil, legal, financial, and humanitarian rights. This the culmination of all the master teachings of Christ as well as our other fore-founders since the dawn of mankind.

Many people resent the oneness of our GodFather Creator according to our speaker today. A review of the 10 commandments starts with there is Only ONE GOD. Idol worship. Honor GOD, Day of rest, honor family, murder, adultery-prostitution, stealing, liar lying false testimony, theft.

Coveting your neighbors possessions. 17 "You shall not covet your neighbor's house. You shall not covet your neighbor's wife, or his male or female servant, his ox or donkey, or anything that belongs to your neighbor." This is the most distinct commandment (that is not a guideline or suggestion). aside from the 'You have ONE GOD'. Immediately after this section is Idols and Altars. In today's reality, the idols and altars are the physical possessions that almost everyone worships, covets, and even steal.

Pastor: Covet. Define: to desire wrongfully or inordinately without regard for the rights and property of others." Keith: The worst criminals and terrorists use fear and intimidation to acquire others assets. Pastor: 5 million of Filipinos own an iPhone out of 102 million population. 3 million live overseas as domestic workers, on freighters, and other basic servant positions. The reasons are all about 'THE MONEY'. It takes money to make money and for basic products and services to maintain any lifestyle.

Keith: It pains me to the extreme to see bamboo huts, dirt floors, and a population struggling for what they will eat that day. Even with PNP -Philippine National Police and Military nearby, robberies, drunken festivals, and card games are a nightly occurrence in the remote villages. For Crime has always been the #1 world problem of mankind.

Pastor: In Hebrew, Covet relates to Chamad that is to greatly desire something beautiful, delectable, delightful, and desired. Covet is much more than to want. The Hebrew verb Lachmod means to want to the point of seeking to take away and own. -something that belongs to another person.

1. The Root All the commandments require action except for #10 that requires restraint of thought. Genesis 3:6 speaks on the forbidden fruit. 1 Timothy 6:10 *'for the love of money is a root of all kinds of evils. It is through this craving that some have wandered away from the faith and pierced themselves with many pangs.'* If the truth offends you, then it must be effective in motivating you to actually TAKE ACTION. Mark 7:22-23 *"Coveting, wickedness, deceit, sensuality, envy, slander, pride, foolishness. 23 All these evil things come from within, and they defile a person."*. He asks about who covets an iPhone 6. I carried (4) iPhone 3s back in 2011 right when I was kidnapped Oct 3, 2011. those calls I made and the evidence on phone (770)289-3050 and 3089 would have put +100 criminals in hell-jail if anyone had looked at anything I had supplied to everyone.

Ecclesiastes 5:10 'Whoever has money,

2. The Results The cause and effect of the human condition is easily seen when viewed at micro or macro levels. Coveting and covetness opens the soul up to almost all the other sins of the mind. **Luke 12:15** "Then he said to them, 'watch out' be on your guard against all kinds of greed; life does not consist in an

abundance of possessions'. Many people are murdered or die because of greed. This includes suicide and taking unnecessary risks attempting to acquire illegal assets of others. Most people are willing to lie and slander because they can commit perjury without being detected by most others.

3. The Remedy Is there a solution? Of course, using www.SolutionFinal.com, 5 steps, anyone can create their own solution decision tree, confirm it's validity, and implement their own process as long as the solution set benefits all involved. The prime solution is to shift your attention to what GOD wants. This is the Sovereign Ambassador mindset that everyone on earth must learn to actively apply to their daily lives. This is what Christ did 2,000 years ago as recorded on www.IseelunderStand.com

In the book of Deuteronomy, mankind was taught to solve their own problems. To put our faith in GOD (Christ, Allah, Buddha, Creator, GodFather, Yehwah or what ever labeled name you want), has always been the key to saving the human race from their own extreme predatory greed.

Ephesians 5:2 *'But sexual immorality and all impurity or covetousness must not even be named among you, as is proper among saints.'*

Jeremiah 5 **Not One Is Upright** 5 "Go up and down the streets of Jerusalem, look around and consider, search through her squares. If you can find but one person who deals honestly and seeks the truth, I will forgive this city.

2 Although they say, 'As surely as the Lord lives, ' **still they are swearing falsely.**"

The above is exactly what has occurred to our entire world as reported by broadcast media to our entire world by the ONE person who is truly righteous in the ultimate search for other righteous persons of Integrity who actually care about the prosperity of the entire human race.

The offertory scripture is:

Psalms 35:27 'let them shout for joy, and be glad, that favor my righteous cause, let them say continually, Let the Lord be magnified, which hath pleasure in the prosperity of his servant.

###

Our small group meets afterwards to discuss the sermon and our current thoughts. Coveting others assets is the topic. Lack of contentment is a driving factor to covet, steal, and take advantage of others.

The issue of greed is built in to humanity for the original issue of pure survival as a primal instinct. the key question has always been 'When is enough, good enough?' Do you enjoy the basics of what you already own? If one knowingly sins, does one immediately make restitution and correct the action? how odd, for one can not knowingly sin unless one expects to succeed in committing the crime and go undetected.

Christ died the most extreme death BECAUSE he saw the travesties of all humanity and did everything possible to literally Save All Nations (hence <http://www.SaveAllNations.com>)

I remain the only world citizen servant who teaches our entire world how to actually conduct ethical based business and personal relationships. No one else has ever comprehensively shown our entire world how to solve the majority of their own issues. This has also been part of my life long missions to bring total justice and equality to all of mankind.

Therefore, each criminal owes FatherKeith.com Duncan a personal apology, the surrender of their criminally acquired assets to CreatorKeith.com INC since the FBI-AG are 100% incompetent to actually conduct any criminal investigations leading to the convictions of so many for crimes against my=our people. Soon, I will fill stadiums and arenas full of you, my people, so we can ALL experience the Paradise of heaven as it is here on earth. The reverse is also true. We all soon experience the paradise of Earth as it is in Heaven in the most binary simple terms of exactly WHO I AM.

Most humbly submitted, Keith Duncan

PRIME Addendum of Scripture is here, freshly minted for all to ACT with AUTHORITY of Fearless People to Protect the rights of all others.

The most extreme crimes committed against FatherKeith.com are legendary for any and all reasons. Christ did not testify on his own behalf before Ponticus Pilate as reported by the few who were in attendance. Why did he not invoke 'Pro Se', the right to represent oneself? The simple explanation is that he already knew that whatever he said would be perverted and used against him to justify their own criminal actions to destroy all traces of their own crimes and sins. For most in authority positions wield tremendous power that is seldom questioned by the wolf led blinded sheep flocks who go with current trends rather than taking any stand for Justice and full scale equality for all others.

Matthew Chapter 27:11 Meanwhile Jesus stood before the governor, and the governor asked him, "Are you the king of the Jews?" **"You have said so," Jesus replied.**

12 When he was accused by the chief priests and the elders, **he gave no answer.** 13 Then Pilate asked him, "Don't you hear the testimony they are bringing against you?" 14 But Jesus made no reply, not even to a single charge—to the great amazement of the governor. "

.... 37 Above his head they placed the written charge against him: **this is jesus, the king of the jews.** Christ was so much more. He was the most humble servant as the Son of ManKind. In human form, he represented God's Sovereign Rights everywhere he traveled, learned the greatest needs, and provided the solutions to literally SaveAllNations.com

World Press Conferences and re-broadcast. Friday, Aug 26, 2016

Thursday Aug 25, 2016 was another busy day by FatherKeith.com Duncan in the the Holy Trinity Name of humanity, God, Christ, and the Holy Spirit. It takes four entities to actually have a universal collective conscious called life. Almost our entire world is in survival mode of finding basic food, shelter, water, and protection from the basic periodic elements of the nuclear age. This includes protection from the criminal elements who are almost all of your own government and corporate leadership. They have obtained their evil kingdom thrones of ultimate power because they ruthlessly abuse the rights of those who have elected and promoted them. For the survival of the strong fittest, is now the conquering ability of those who have the intellectual quotient (IQ) to enslave those around them at every opportunity.

How many politicians promise exactly what their constituents need, then raise millions and collective billions of \$\$\$ for campaigning, get paid off (bought) by criminal agents of mega wealthy MonkeyKings.info? Then once elected, they use the power of their office to prevent everyone from seeing they are dipping their hands into the blood stained taxpayer coffers to feed their own political and criminal enterprises. They buy their way out of all criminal proceedings by extorting the judicial system using taxpayer and criminally acquired funding. The news media Press is just as criminal as they are typically interested in only profits from advertising revenue. They report only the most scandalous and exclusive news as the cycle of fresh blood meat news changes every day. Citizens seldom follow any story and simply do NOT CARE how reality is systematically destroying their assets and livelihoods.

Criminals like Cobb County District Attorney Berry Vic Reynolds attend church, host prayer meetings, advocate for elder and children rights, kiss babies and old ladies at every photo opportunity, yet they run the most insidious criminal enterprises because they control the court documents, the prosecutors evidence, and work hand in hand with the most corrupt judges in world history. None of these factual testified statements are speculation, conjecture, or hypothesis. These criminals were criminally incompetent to destroy key evidence and to certify sign their own names on false testimony that includes their ability to electronically weasel their way out of the rat invested worm holes they have dug for themselves.

On Thursday, I visited the new local Health Spa run by my Palestine friend who married a Philippine lady like I did. He sponsors 24 students at the local college. Next I went to Golden Press to photocopy my most powerful business cards and to set a NEXT appointment with Ma Belen Barias-Lim (CPA) manager publisher of The Northern Forum (Harbinger of Truth). MabelenLim@Yahoo.com
GoldenPress_Tug@yahoo.com.ph.

Then I visited St Peter Paul Cathedral (Roman Catholic) to set Next appointment with Archbishop Sergio Utey and Edgar 'Gary' Agacoili. I met Gary one year ago to describe the horrors of humanity and the Solutions to transform crime reality into the Corruption Free world of UNlocracy.com I video recorded that whiteboard history lesson and posted on YouTube.com as

Then to exchanged some of my very last USD into Pesos at dropped 46.10 rate. Then 30 minutes at the Bambo Radio Station for second visit to meet their station manager producer. Then the second visit to Nancy Cortez-Garcia at the Cagayan Star 'Weekly Newspaper in the Region'.
NancyGarcia_87@yahoo.com, I text messaged Philippine Inquirer again about SolutionGovernment.com.

BuiltBykeith google Adwords campaign remains a huge expense with absolutely no response ACTIONS after years of full time broadcasting. The keyword Politics is expensive and tends to kill the impressions once a few people CLICK and never, ever take ACTION.

I am truly OUT of my own extensive lifetime cash reserves and will be struggling to find minimum cash to feed my family after about 2 months more despite living in extremely frugal conditions. I have about \$2,500 USD left after all my bank accounts, 401K cleaned out, my prepaid condo-car motorcycle sold off with all my lifetime evidence/possessions with a Forged Power of Attorney, and my rights viscously denied for 8 long years of pure hell. We do not even have running water in our new home. I lost +\$1.2 million in hard cash + assets to career criminals ROSE, Ms. Bashama, my own Duncan clan, murdered Brian Walker, and the absolute most sinister Government officials in world history. All based on biblical and logical fact that I reported all criminals to Law enforcement, to the Military, Congress, Public, and PRESS before I was brutally kidnapped Oct 3, 2011 by ROSE's extortion orders. ROSE has a \$2 Million USD bounty on his head with Ms. Bashama \$10,000 bounty to be paid BY USA government once they SEIZE my assets held in their serpent fangs of satanic devil worshipping teeth.

What can you do? Apparently very little, like IntegratedMediaOne.com without being paid + \$500 per month. ANYONE can CITIZEN ARREST the true criminals, chain them to the front doors of FBI-AG headquarters with hard copy documents of their crimes. This includes DAG Sally Yates, Judge Raymond Jackson (Norfolk VA), ATF William Banks, or any of the police, judges, investigators, prosecutors, my own LIAR-LAWYERS tied to two Cobb County Georgia USA of TPO 11.1.1171.99 and 11.1.7683.99, Marietta PD larceny 1.11.2506 Or dress them in bright red prison jumpsuit, shackle them hands to feet, place them on the biggest JACK-ASS mule, and march them down main street to the local BIG HOUSE JAIL. Facebook reply from : Agustin Vasquez Jr Great luck, keep pushing if it's meant to be. The only thing, I don't like about electronic voting is the face recognition portion of it. It removes more of the anonymity portion of your vote.

Keith's immediate reply:

taking your own photo WHEN you vote is for YOUR protection so you can go BACK and see each of your votes tied to your own Photo, Timestamp, and GPS location. NO one can see your votes UNLESS you turn on the public versus private switch. I would always vote PUBLIC view so anyone could see my voting history. This is READ ONLY to world. If the prime database is HACKED or changed, I would be notified it was CHANGED, Plus I could confirm each and every one of my votes. The ANOMINITY portion is exactly what the criminals use to CHANGE your votes by CHANGING the tallies. The PRIME part of FACE recognition is immediately knowing WHO IS the person you are dealing with. It allows all citizens to IDENTIFY criminals, terrorists, fraudsters, corrupt politicians, and anyone REGARDLESS of the money or clothes they flash. For FLASHING cash and power is used to buy almost anyone off.... This is the Corruption FREE zone that will soon be WORLDWIDE, with the help of all of humanity. This is the most powerful, broad reform movement, no disrespect with the word Broad, as all women must be protected first along with all children since man has always been the prime aggressor.

Under Secretary for Civilian Security, Democracy, and Human Rights under USA Secretary of State John Kerry, from Astana, Kazakhstan

August 17, 2016

Before I take your questions, I'd like to briefly explain why I've come to Kazakhstan and share a few observations from my meetings this week.

As you may know, two weeks ago Secretary Kerry hosted the so-called "C5+1" meeting between the five Central Asian republics and the United States to reinforce regional cooperation on a broad range of issues, including economic connectivity, the environment and climate change, human rights, and security.

My trip this week has a narrower focus: strengthening our cooperation against terrorism. Kazakhstan has played a leadership role in building global support for a broader preventive approach to violent extremism, including by hosting a summit here in Astana last June.

Two weeks ago in Washington, we announced U.S. support for the Global Counterterrorism Forum to hold a dialogue focused on countering radicalization to violence and the movement of foreign terrorist fighters across Central Asia.

This week I'm here as the top counterterrorism official at the U.S. Department of State to learn about Kazakhstan's efforts to counter violent extremism. I've been impressed by the thoughtfulness and commitment of our Kazakhstani colleagues to address this problem. In meetings this week, I shared our observations about the factors often linked with terrorist radicalization – and more importantly – what we can do to prevent it.

One factor is often government behavior. Corruption, impunity, and poor public services can erode trust between people and government and create openings for violent extremist to recruit. Prisons that mix petty criminals with violent ideologues can provide terrorists a captive audience. And we've seen how governments that respond to terrorist attacks with torture, abuse, and restrictions on fundamental rights can actually fan terrorist radicalization by leading otherwise peaceful individuals to see violence as their only recourse.

That's why, when Secretary Kerry visited Astana last November, he emphasized that "terrorist presence does not give authorities license to use violence indiscriminately... [or] to lock up political opponents." In meetings this week, I've underscored that governments should take a "no harm" approach by ending counterproductive practices, fighting corruption at all levels, and respecting human rights.

Sources of terrorist radicalization can also include personal or community alienation, hopelessness about the future, or hunger for identity and purpose. But addressing these vulnerabilities is not something governments alone can do; an effective approach must involve local communities. Religious leaders, researchers, teachers, women, and youth are often best positioned to intervene when vulnerable individuals are on the brink of violence. Similarly, free and independent media and citizen groups can refute terrorist ideologies and their false propaganda with far more credibility than government officials and outlets.

The U.S. welcomes Kazakhstan's commitment to a broader and more preventive approach to terrorism, and we stand ready to work with partners in and out of government who will join us to turn back this shared threat.

Now let me take your questions.
