We are atlanta ga, Asheville based rare group of mega billionaires from computer science, technology , engineering, construction, education, energy, water, farming, trade, manufacturing, transport arenas.

we have already changed course of all human history by publishing perfected methods to stem the flow of assets to those known as warlords like PUT-IN, CCP, NKorea fatso dictator, and all persons who run underground cyber crime transfer of over \$40 trillion usd annually using con artist of JUST TRUST THEM, and never track who carrot steals our information databases and wealth assets..

solutionHousing.org now re builds new mi ed use communities once everyone xfer all assets from all banks back to on,y local we control manage credit unions, once no more public traded stocks or stock options exist, the all our assets are total decentralized and privatized as only small business privately held our operation center corporations overseen by fortuneone.org retired best problem solving executives of all generations.

keith duncan our health is rapid declined caused by violators of solutionManifesto.com who refuse to honor existing legally binding contracts at duncanclaim.org 22-1-3042-68 based only on cobb county TPO 11.1.1171 dismissed july 15,
